

Shrub, Tree and Perennial Plant Sale!

Species are selected for hardiness, low water needs (once established), use in edible landscapes and for wildlife and pollinator habitats.

47 shrubs, trees and perennial species to choose from in 1, 2, and 5 Gallon pots priced from \$10 for flowers to \$65 for trees.

We believe in providing a wide selection of plants for our climate at very competitive prices. All our net sale proceeds are used to fund a variety of conservation programs for Douglas County residents and schools.

Order online at Douglasconserves.com/shop or print off website dconconservation.com, or contact the district for an order form. Deadline to order plants is April 4th and pick up will be in Castle Rock on April 11th.
